PROFILE

Front-End Developer specializing in React.js, Next.js, JavaScript (ES6+), and TypeScript. Experienced in building responsive and scalable web interfaces, developing reusable UI components, integrating REST APIs, and translating UI/UX designs into responsive web experiences. Strong hands-on experience with Tailwind CSS, Bootstrap, Git/GitHub, and modern frontend development practices. Focused on clean, maintainable code, responsive design, and delivering high-quality user experiences.

EXPERIENCE

Frontend Developer 02/2026 – 09/2026
WebSTDY — Full-time, On-site Cairo, Egypt

- Contributing to real-world web projects and production-ready frontend features.
- Developing responsive and reusable UI components with modern frontend technologies.
- Translating UI requirements into responsive and user-focused web interfaces.
- Collaborating with the development team using Git and GitHub.
- Following clean and maintainable coding practices while contributing to scalable frontend solutions.

General Dentist — Private Clinics (Mansoura & Marsa Matrouh) 2022 – 2024

INTERNSHIPS

Front-end AI Engineer Intern 07/2026 – Present
FlyRank AI | Remote

Information Technology Institute (ITI), Mansoura Branch 07/2025 – 12/2025
Intensive Code Camp (ICC), Front-end and Cross-Platform Mobile Development

- Developed responsive web applications using React.js, JavaScript (ES6+), and TypeScript, integrating Redux Toolkit for efficient state management.
- Built cross-platform mobile applications with React Native and implemented modern UI components using Chakra UI and Material UI.
- Collaborated on team projects through Git and GitHub, focusing on clean, maintainable, and reusable code.

EDUCATION

Bachelor of Dental Medicine and Surgery (B.D.S.) 2016 – 2021
Faculty of Dentistry, Mansoura University

- **Cumulative Grade**: Excellent with honors

PROJECTS

HomeMade Food Delivery App — ITI Graduation Project

- Developed a full-featured food delivery system for both web and mobile platforms using React.js and React Native.
- Implemented smooth navigation, interactive UI, and centralized state management through Redux Toolkit.

- Technologies: React.js, React Native, Redux Toolkit, JavaScript, Chakra UI , Supabase

Dental Clinic Management System – *React, Redux, TypeScript, Firebase*
- Developed a responsive web application for managing dental clinic operations including patient records, appointments, and treatment tracking.
- Implemented booking system for patients to schedule appointments with real-time availability updates.
- Managed state using Redux Toolkit and integrated Firebase Authentication for secure login.
- Focused on clean, user-centric UI and production-ready code.

Blog App
- Designed and developed a responsive blogging platform for creating, editing, and managing posts.
- Built with React.js and JavaScript, using JSON Server and JSON Server Auth for backend simulation and authentication.
- Styled the interface with Tailwind CSS to deliver a clean and modern user experience.
- Technologies: React.js, JavaScript, JSON Server, JSON Server Auth, Tailwind CSS

HR Management System
- Developed a responsive HR management web application from scratch, handling the frontend using HTML, CSS, and JavaScript with Bootstrap for layout and styling.
- Focused on building reusable components, clean UI, and efficient module integration.
- Technologies: HTML, CSS, JavaScript, Bootstrap

TECHNICAL SKILLS

- **Languages & Frameworks:** HTML5, CSS3, JavaScript (ES6+), TypeScript, React.js, Next.js, Nuxt.js, React Native, Redux Toolkit
- **UI & Styling:** Tailwind CSS, Bootstrap, Chakra UI, Material UI, Responsive Design
- **API & Backend Integration:** REST APIs, Firebase, Supabase, JSON Server, JSON Server Auth
- **Design & Development Tools:** Figma, Git, GitHub, Cursor, Claude, GitHub Copilot
- **Development Practices:** Reusable Components, Responsive Web Design, Clean Code, Cross-Browser Compatibility, UI/UX Implementation, Basic CI/CD

SOFT SKILLS

- Strong communication & teamwork abilities
- Problem solving & adaptability for fast-paced projects
- Attention to detail with a focus on high-quality UI/UX
- Leadership mindset and strong work ethic
